To find your Payee Central ID within AWS, you'll need to sign in to Amazon Payee Central, https://payeecentral.amazon.com navigate to the "Accounts" tab, and locate the ID associated with your AWS account.

Here's a more detailed breakdown:

- **Sign in to Amazon Payee Central:**

You'll need to access the Amazon Payee Central platform using the email address and password associated with your account.

- **Navigate to the "Accounts" tab:**

Once logged in, look for a tab labeled "Accounts" or similar, where you can view details about your Payee Central accounts.

- **Locate your Payee Central ID:**

Within the "Accounts" tab, you should find a section or field that displays your Payee Central ID, which is a unique identifier for your account.

- **If you are having trouble finding it, contact AWS support:**

If you are unable to locate your Payee Central ID, contact AWS support for assistance.

Additional Notes:

- **Payee Central is used for managing payment information:**

Amazon Payee Central is a platform where AWS partners can manage their payment information, including bank details and tax information.
